

## WSR 650-A 24 V reciprocating saw

### Technical Data

Chuck style	Keyless blade clamp, for standard 1/2" blades
Weight	2.83 kg
Input power	650 W
Special Feature (wood)	Smart Power™ up to 2000 W, AVR Active Vibration Reduction
Max Stroke Rate No Load	2200 str./min
Min Stroke Rate No Load	900 str./min
Rated voltage	24 V
Weight With Battery	4.33 kg
Additional product information	Counter balance anti vibration system vibration absorbing grips
Maximum Movement	32 mm
Stroke Rate Regulation	Constant speed electronics with variable stroke rate, 6 stroke rate
Orbital Action	Yes
Package content	Supplied with 1 x 3.0 Ah NiMH battery, C 7/24 charger, MF15 saw instructions and a list of safety precautions, packed in impact res box.
Package Quantity	1
Special Feature	AVR Active Vibration Reduction
